

FOUNDATION OF MARITAL FAILURE

If the foundation be destroyed, what can the righteous do (Psalm 11:3).

Spiritual pollution has destroyed or demoted many marriages. The satanic pipeline supplying evil fuel to many marriages originate from the foundation of that marriage. The spiritual pollutants causing the problem take its origin from the foundational pollution.

God is the only genuine matchmaker since He is the manufacturer of man. Once the foundation is sick, the whole building would be sick.

The protective fuse in many marriages have blown up igniting great fires. It would appear as if many are completely helpless. Divorce rates are climbing. "Separated but married" cases are rising.

Beloved, the truth is that many marriages need to be delivered from foundational pollution and bondage.

"If the foundation be destroyed, what can the righteous do".

What kind of marriages come under foundational pollution? They include:

- marriages contracted while one was an enemy of God
- marriages originating from accidental pregnancies
- sex before marriages
- marriages after demonic consultations
- marriages enforced by ignorant parents
- marriages established and formalized without divine approval
- marriages in which blood covenants were formed
- marriages based on demonic manipulations and domination
- marriages established on the principles of "it is better than nothing"
- marriages solemnized by satanic rituals
- marriages based on trial and error
- marriages based on physical attraction only
- marriages established by occult means
- marriages based on material interest
- marriages based on satanic prophecy
- marriages established by donation of spouse at a young age
- marriages based on polygamy, etc.

"If the foundation be destroyed, what can the righteous do."

The righteous can only fall upon what is written in Jer. 32:17: "Ah Lord GOD! behold, thou hast made the heaven and the earth by thy great power and stretched out arm, and there is nothing too hard for thee:"

STEPS TO BE TAKEN BY THE RIGHTEOUS MAY INCLUDE:

1. Identification of family foundation
 2. Confession of sin and repentance
 3. Aggressive and well-targeted prayer
 4. Breaking of evil covenant
 5. Breaking of curses
 6. Restitution
 7. Intercession
- We have to take steps to clear satanic pollution from our marriages.
 - We need to allow the divine axe to go right down to the root of our marriage and uproot unprofitable plantations.
 - We need to pray for the deliverance of our marriages from the polluting influences of anti-marriage forces.
 - We need to paralyse and dismantle every evil pipe releasing pollutants from the foundation of our marriage.
 - We need to invite the God of the suddenlies and the God of new beginnings into our homes.
